2025 THEME: HELPING HANDS

Hands are a universal symbol of support, connection and care. They represent the Chevrah Kadisha's mission - through the simple act of reaching out, we build a community rooted in kindness. Hands can hold, heal, create, build, lift, love, protect, protest and play. Explore what "Helping Hands" means to you - in your life, your world, your Judaism, your Jo'burg. Use any style - realistic, abstract, surreal, comic, collage, etc.
